

COMMUNICATION ON PROGRESS | 2014 KEY FACTS

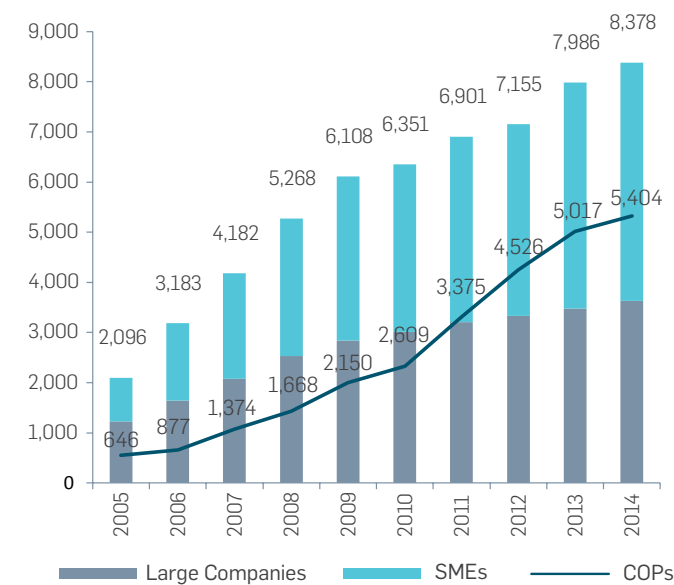

United Nations Global Compact

About the COP

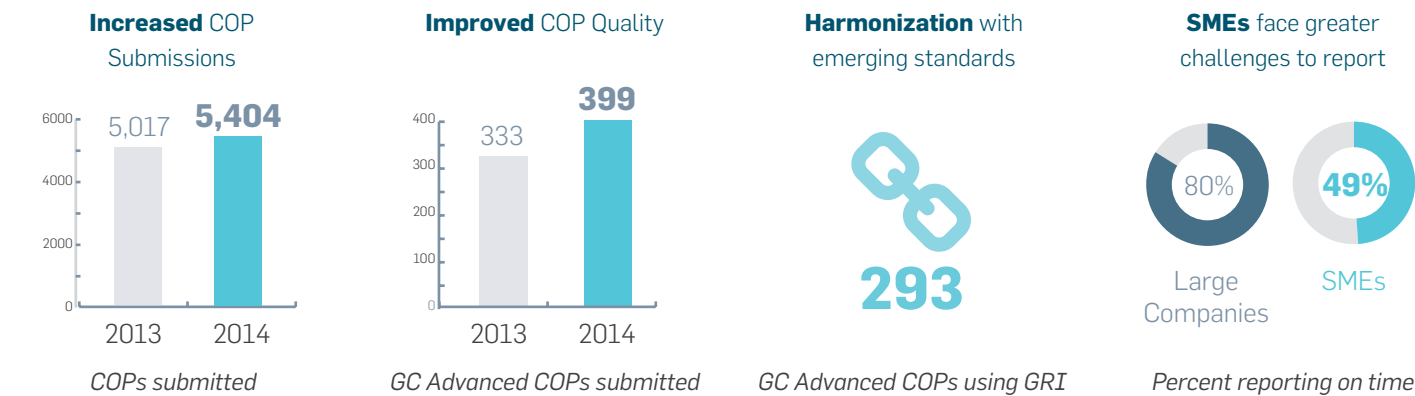

The **Communication on Progress (COP)** is an annual public disclosure to stakeholders on progress made toward implementing the **ten principles of the UN Global Compact**, and supporting broader **UN goals and issues**. The COP serves to enhance transparency and accountability, drive continuous performance improvement, and provide a repository of corporate practices to promote dialogue and learning.

Note: COP data is self-reported

Business Participants & COPs Submitted since 2005

Trends in 2014

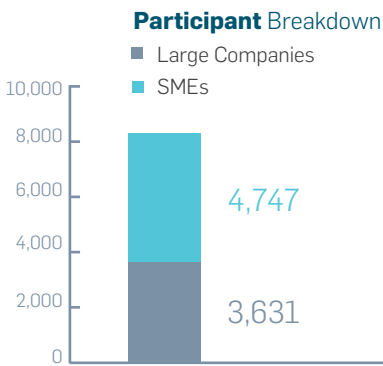

2014 at a Glance

8,378
Participants

5,404
COPs submitted

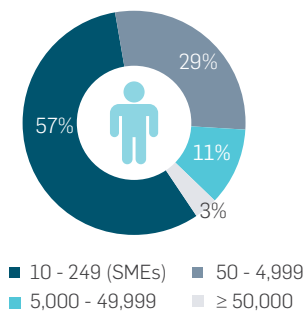

657
Expulsions*

*Participants who do not communicate progress for two years in a row can be expelled from the initiative, and the Global Compact publishes their name.

among business participants
Total: **58,652,197**

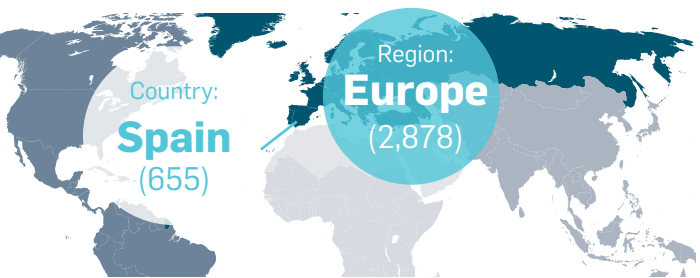

Revenue* (in USD)
*2,273 companies did not provide data on revenue

COP Highlights

Top submissions **by region & country:**

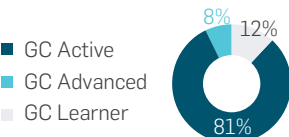

Construction & Materials

Sector with the most COPs submitted (375)
43 sectors represented

Top reporters: Most submissions since the introduction of the COP in 2004

- Gas Natural Fenosa (13)
- Endesa, S.A. (13)
- Elior (13)
- ENI (13)
- Telecom Italia (12)
- Natura Cosmeticos S/A (12)
- GDF SUEZ (12)
- Credit Suisse (12)
- Novartis International AG (12)
- Diageo Plc (12)
- Bonduelle (12)
- DKV Seguros y Reaseguros S.A.E. (12)
- Grupo Santander (12)
- Article 13 (12)
- Nokia Corporation (12)
- Bayer AG (12)
- Repsol (12)
- Agbar - Sociedad General de Aguas de Barcelona, S.A. (12)
- Volkswagen AG (12)
- Essilor International (12)
- Bharat Heavy Electricals Limited - BHEL (12)

COP Differentiation Levels

GC Active: Reports that meet the minimum requirements, including a CEO statement of support, a description of actions in the four issue areas, and a measurement of outcomes.

GC Advanced: Reports that qualify to GC Active and, in addition, disclose information on the company's implementation of sustainability advanced criteria and best practices

GC Learner: Reports that disclose information on some of the minimum requirements, but not on all of them.

399

GC Advanced COPs submitted

Financial Services

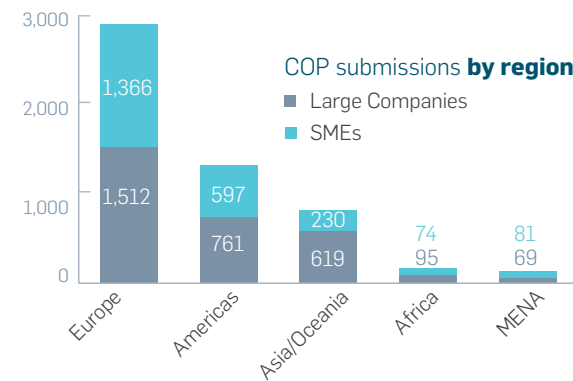

Sector with the most GC Advanced COPs submitted (42)

633

GC Learner COPs submitted

Requirements fulfilled by GC Learner COPs:

- Continued Support Statement 82%
- References Human Rights 81%
- References Labour 83%
- References Environment 86%
- References Anti-Corruption 68%
- Measurement of Outcomes 43%

GC Advanced COP Highlights:

- Companies** consistently reporting at the GC Advanced level since the introduction of the COP Differentiation Levels: **90**
- Region** with most GC Advanced COPs: **Europe (211)**
- Country** with most GC Advanced COPs: **Spain (56)**

Best Practices Reported in GC Advanced COPs:

All COPs in the GC Advanced level are required to report on the following best practices:

- Implementing the 10 Principles into strategies and operation
 - Incorporation into strategies and operation
 - Value Chain
 - Human Rights criteria
 - Labour criteria
 - Environmental criteria
 - Anti-corruption criteria
- Taking action in support of broader UN goals and issues
 - Contribution to UN goals and issues
 - Social investments and philanthropy
 - Advocacy and public policy engagement
 - Partnerships and collective action
- Corporate sustainability governance and leadership
 - CEO commitment and leadership
 - Board adoption and oversight
 - Stakeholder engagement
- External verification
 - Supply chain

The most challenging reporting requirement for the GC Learner companies was **measurement of outcomes**.
