Climate Finance Day

4 November

Hyatt Regency, Casablanca

Organized by Casablanca Finance City, co-organizer Paris Europlace, Partners: PRI, UNEP Finance Initiative, Inquiry: Design of a Sustainable Financial System, Clifford Change

The Climate Finance Day 2016 is organized in line with the COP22. Paris EUROPLACE, the organization in charge of promoting and developing the Paris financial marketplace, organized the 1st Climate Finance Day last year in Paris in the context of COP21, and will hand over the baton to CFC for the 2016 edition. Channeling financial flows towards low carbon trajectories is among the major objectives of the agreement.

Business and Industry Day

9 November

Blue Zone

Co-facilitated by CDP and We Mean Business. Partners: UN Global Compact and La Confédération Générale des Entreprises du Maroc

At COP22 in Marrakech there will be a series of thematic sessions organised as part of the Global Climate Action Agenda led by the Climate Champions. The Business and Industry Champions sessions comprise of:

- 1) A Business and Industry Showcase in the Blue Zone between 1330 and 1600 on 9th November. This event will be open to all accredited participants.
- 2) A Carbon Pricing Dialogue in the Blue Zone between 1630 and 1830 on 9th November. This event will be by invitation only for up to 100 accredited participants.

Low-Emissions Solutions Conference

14 – 16 November

Blue Zone

Hosted by Government of Morocco and co-facilitated by WBCSD, UNSDSN and the ICLEI-Local Government for Sustainability

The Low-Emissions Solutions Conference (LESC) is aimed at problem solving, brainstorming, and global co-creation to inform nations about the latest technology developments. It will bring together technical experts and world-leading scientists, engineers and innovators from business, academia, and cities, to share knowledge, exchange information, identify bottlenecks, discuss best practices, and prioritize future research in order to set common technological trajectories for a decarbonized economy.

The Sustainable Innovation Forum

14 – 15 November

Four Seasons

Co-facilitated by UNEP and Climate Action

Building on year-round work from Climate Action and the UN Environment Programme, the 2-day Forum will convene cross-sector participants from business, Government, finance, UN, NGO and civil society to create an unparalleled opportunity to bolster sustainable innovation.

C4C High Level Meeting on Climate Change

16 November

Blue Zone

Co-facilitated by the UN Global Compact, UNEP, UNFCCC and Moroccan COP 22 incoming-Presidency. Partners: PRI and La Confédération Générale des Entreprises du Maroc

The high-Level Meeting on Climate Change inviting chief executives of business and investors, civil society, UN, and governments will put forward an overview of progress made by the private sector in support of the Paris Agreement. Participants will have an opportunity to engage in an interactive discussion to accelerate climate action at the country-level and identify pathways for transformation to realize the well below 2°C trajectory in local markets everywhere.

Fostering Green Capital Markets

16 November

Beachcomber Royal Palm, Marrakech Hotel

Jointly organized by The Moroccan Capital Market Authority (AMMC), The Casablanca Stock Exchange, The Moroccan Central Securities Depository (MAROCLEAR), and the United Nations Sustainable Stock Exchanges (SSE) initiative

Speakers and participants will:

- Share and discuss the global trends, best practices, and recent developments with regard to climate finance regulation and green capital market initiatives.
- Explore the opportunities for building effective global and regional partnerships among regulators, exchanges, and central securities depositories, with a particular focus on promoting the sharing of knowledge and experience (North-to-South, South-to-North and South-to-South) as well as the spread of best practices and the development of local expertise in developing and emerging countries.
