VINEET RAI

Vineet is the Co-founder & Chairman of Intellecap. In a career spanning two decades, Vineet’s areas of interest have included early-stage venture capital, microenterprises, microfinance investments, incubations. He also chairs the Board of Villgro, an incubating and funding platform, and IntelleGrow, an Intellecap subsidiary, which provides venture debt services to impact enterprises. He serves on the Board of the WISH Foundation and is an advisor to the Tibetan Entrepreneurship Development Initiative.

Vineet Co-founded Intellecap in 2002 with the idea to harness intellectual capital for development. Since then, Intellecap has grown to become a unique development advisory firm providing a full spectrum of services for social enterprises and businesses focused on the low-income population. Vineet has driven pioneering initiatives such India’s first impact angel network (I3N) and one of the foremost convening platforms for global inclusive development discourses (Sankalp Forum). Vineet is also a frequent speaker at significant national and global events.
